FACING THE CHALLENGE, CREATING THE FUTURE

Australianness, and what it means to be an Australian, has changed forever and our art needs to change with it. But is this reflected adequately in our theatres, concerts, galleries, films and media?

MULTICULTURAL ARTS FORUM 2012

is a space for inclusive dialogue and networking for artists, arts workers, researchers and cultural policy decision-makers of all backgrounds. It's time to discuss and decide upon actions that would reap the benefit of the enormous untapped cultural resources in Australia's most culturally diverse state, NSW.

BE PART OF THE CHANGE AND BUILD THE FUTURE!

**Keynotes – Panel Sessions – Breakout Groups
Showcase Events – Networking Opportunities**

KEYNOTE SPEAKER: Pino Migliorino
